Big Guns Peril Pershing's Trail.

Columbus—Carranzistas are mount-
ing artillery on the hills above
Cruces cañon, according to appar-
ently reliable reports. Command of this
cañon, which stretches for about
twelve miles between El Valle and
Namiqupa and through which
passes the American motor trail,
would enable the Mexicans to menace
Gen. Pershing's supply trains. It is
believed that it is at this point that
sniping, which a recent message from
Lieut. Col. D. C. Cabell said was pos-
sible, is most greatly feared.
